A message from the leadership team

Last Sunday, Joyce and I left home very early in the hope of joining Katherine and her friends at the first public service of a new church called St Barnabus Grange Park. With the help, blessing and guidance of the 'sending church', Emmanuel in Loughborough, this small group of people are planting a new church in the heart of the housing development called Grange Park. They will meet in the Community Centre when it is ready in a couple of weeks' time, but until then are using the local school. There were about 20 of us and we shared a relaxed and uplifting time of worship led by the young vicar, Ben and the small worship band.

From earlier conversations we know just how committed they all are to this venture and how they have prepared themselves over many months, through really serious and intentional bible study and constant prayer. Meeting together in small groups to test their plans to make sure they are in line with God's Plan. It has been so challenging and exciting for them and we felt privileged to be there at the start.

There are parallels with the Foundry. It is challenging, it is ambitious and yes, it is a bit scary, but it is really exciting! God has been leading and nudging us towards this over a number of years and it is quite clear that to serve His people in the Community of Woking, we need to be looking outwards rather than inwards at our own problems. When Jesus called the first disciples they gave up something they were used to and comfortable with, fishing, and followed Him without hesitation. Such a step is hard but that is what we must all try to do.

God is still with us as we have 2 candidates for the Missioner post and we ask you to pray that He will support us through the interview process next week. **John Nelson**.
