A message from the leadership team

I got a shock the other day; we received our first Christmas card! How can it be that time of year already? How time simply flies by when you are busy doing all sorts of things and there seems to be no time to think or ponder on what 'Life' is all about.

I for one am very guilty of spending all my time running around doing 'stuff', all of which I consider to be most important, and not sufficient time thinking about my faith or reading the bible other than when at Church or at our house group.

We will shortly be ordering 'Fresh from the Word' books for 2020 and I know that many people value these notes and follow them every day. I must confess to being one of those who dips in when there is time. This is dangerous, because the business of every day can easily prevent there being any suitable time for bible study. It is so important to spend time in between Church or house group thinking about what the Bible and Jesus really mean to me and stopping for a while to give time for prayer and reflection.

Note to self: Be more disciplined in how I use my time.
John Nelson.

We hope you find your time of worship here refreshing and inspiring.

We invite you to stay for refreshments after worship, served in the courtyard towards the back of the building. If you want to find out more about Trinity, please speak to the Minister or someone with a name badge. A Welcome Booklet will tell you more about us, and you can leave your details for someone to contact you.

We hope the following information will be useful:-

The whole sanctuary area is covered by an **Induction loop**.

Cloakrooms There are toilets (incl. disabled) at the front of the church and at the back of the halls.

Provision for children: There is a family room at the back of the church for children under 3 should you need it. You are welcome to stay and listen to the service there. Or there is a play area within the worship area where your child can find activities relevant to today's worship.
